IV. Plan Review Required

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below:

Plans are not required for the following:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.
2. Work completed by a governmental subdivision or state agency costing less than $15,000.00.

If work being performed is described above, check box below **"Plans Not Required".**

What is the rating of the service or feeder in ampere?_____

What is the building size in square footage?_____

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plans Not Required ☐

V. Applicant Signature

Section 23a of the State Construction Code act of 1972 PA 230, MCL 125.15223A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are su

Signature of Licensee or Homeowner (Homeowner signature indi	Mark Schultz (989) 297-2461	Date

VI. Homeowner Affidavit

I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the Michigan electrical Code and **shall not be enclosed, covered up,** or put into operation until it has been **inspected** and **approved** by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

VII. Fee Clarification

Item #17, Mobile Home Unit Site:

When installing a site service in a park, the permit application must include the application fee, service, plus the number of park sites.

When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. This shall be done by a licensed electrical contractor.

When setting a HUD mobile home or a premanufactured home on private property, a permit must include the application fee, service and feeder.

VIII. Fee Chart- Enter the number of items being installed, multiply by the unit price for total fee.

City of Zilwaukee

IX. Instructions for Completing Application

General: Electrical work shall not be started until the application for permit has been filed. All installations shall be in conformance with the Michigan Electrical Code. **No work shall be concealed until it has been inspected.** When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the job location and permit number.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A Permit will be closed when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Closed permits cannot be refunded or reinstated.**

The Department of will not discriminate against any individual or group because fo race, sex, religion, age, national orgin, color, marital status, disability, or political beliefs. If you need help with reading, writing, hearing, etc., under the Americans with Disabilities Act, you may make your needs known to this agency.
