

MEETING OF THE CITY OF ZILWAUKEE PLANNING COMMISSION

September 9, 2015

The secretary offered the invocation and the pledge of allegiance was recited.

The meeting was called to order at 6:00 P.M. by Chairperson K. Hyde.

Roll Call:

Present: Jason Boguslawski, Norm Burke, Betty Comstock, Dennis Duro, Ken Hyde, Rich Metiva and Steve Thayer.

Also Present: Building Inspector/Zoning Administrator John Stemple was not in attendance.

The minutes of the June 10, 2015 meeting were considered. A motion was made by R. Metiva, supported by B. Comstock, to approve the minutes with changes. In the 2nd paragraph in Old Business in the 2nd sentence “line or” should be “line of”. The motion carried, all voting aye.

Audience Participation:

None.

Old Business:

N. Burke addressed the members regarding his request that they look over past minutes from February 12, 2014 to February 11, 2015 and also the June 2, 2014 Council minutes. The members stated they had not done this. K. Hyde mentioned he felt it was not necessary to rehash things that have already been approved by the Planning Commission or the City Council. N. Burke stated he would like this to be done for “future reference” as he felt things were not done in the correct order, and this could be a learning device for future approval of monthly minutes.

New Business:

N. Burke questioned if K. Hyde had signed the Resolution regarding the Master Plan drawn up in April 2015. K. Hyde stated he had not signed it yet. There was much discussion on the Resolution and why N. Burke voted “no” on approval. N. Burke stated he voted no because he did not approve of the way it was handled, but a Resolution was needed.

John Stemple Updates:

None.

Round Table Discussion:

N. Burke felt the meeting was not complete as the members had not followed through with the request made at the last meeting regarding past minutes.

B. Comstock felt it was a good meeting and mentioned looking forward to the Home Coming celebration on Saturday, Sept. 12.

S. Thayer stated in regards to N. Burke’s request, he felt things in the past should be left there and the Planning Commission should move forwards.
