Protect your property from the hazard of a flood.

Store your valuables and insurance papers upstairs in a water proof container.

When paying your Utility Bills and Taxes, a separate check needs to be written for each. They are separate accounts and the bank can no longer split the checks. If one check is mailed in to pay both utility bill and taxes, we will mail the check back to you.

Construction on the Pickleball, Tennis, and Basketball Courts in Memorial Park has been completed. Take some time to enjoy!

Water Rates

In the 3rd quarter water bills, you will notice an increase in your Water and Sewer rates. The increase is to accommodate the increase in our rates from the City of Saginaw as well as the changes that have been put in place by the State of Michigan.

July 9th & 23rd
August 6th & 20th

Trailers and boats cannot be parked in the front yard. They must be located on the side of the house or in the back yard. For further clarification see Zilwaukee's Ordinance- **Article II. Requirements, Sec. 32-30. Supplementary use regulations, (k) Parking of recreational equipment** at www.zilwaukeemichigan.gov

There has been an increase in the number of calls that the City receives involving blight. A police officer will be assigned to enforcing the blight ordinances as well as illegally parked vehicles, and overnight parking on the streets. Take the time to look at your property to avoid further action being taken.

Thank You Prince!

For the beautiful fireworks!

Not for Public Use!

The dumpster at DPW and the Community Hall are not for public use.

Tips from the Fire Dept. - BBQ Fire Safety: The backyard barbie can be a common cause of fires and injury during the summer. Keep grills clean and ensure all gas hoses and connections are tight with no leakage.

While everyone enjoys fresh eggs, chickens, roosters and ducks are not allowed in areas zoned **R1B/URB**. Most of the homes in Zilwaukee fall into this category.
