S Mitchell called the meeting to order at 6:00pm.

Old Business:

- **Committee Member Status** – S Mitchell has not heard from P Miles, as P Miles may resign from Parks and Recreation Committee due to personal health concerns.
- **COVID-19 Update** – M Bourbina stated no updates pertaining directly to Parks and Recreation at this time. Governor Whitmer did speak today, but on vaccines, schools, and a new strain of the virus. Currently, we can hold outdoor events as long as masks are worn and social distancing is practiced.
- **Redevelopment of Tennis/Basketball Courts** – M Bourbina stated she has reached out to Vanessa Warren (OHM Engineering), but has yet to receive a response on where we stand for replacing the current tennis and basketball courts in the Memorial Park from the monies awarded to Zilwaukee through a Department of Natural Resources grant.
- **Paint Night** – J Driscoll stated the instructor who did the paint party in February 2020 is hosting virtual paint parties where there are pre-built kits (2 brushes, 5 paints, water cup, mixing plate, \$5 off their next kit, 8"x10" canvas) and a pre-recorded video for a design we can choose for \$25 per person. It was determined by the committee to hold off until we can either host outdoors in nicer weather or when COVID restrictions are lifted allowing us to host the event indoors.
- **Outdoor Market** – Potential layouts for a one day, outdoor vendor market in the Memorial Park and adjacent property along Department of Public Works drive were discussed. J. Driscoll mentioned planning and work on the front end needs to be done in order for event to run smoothly. J Driscoll will do some research on other local markets. B. Ehmcke recommended Antique Warehouse as a resource. J Driscoll mentioned having a Car Show in conjunction with the event to draw more people. M Bourbina stated Howard Burkhardt is the contact for a Car Show and to keep the cost low for vendors to sell at the market.

New business:

Meeting (virtual) was cut short due to technical difficulties with ZOOM.

Next Meeting: March 2nd, 2021 at 6:00pm.
