Old Business

Card/game night – tabled discussion until late summer for possible event in fall or winter

Casino night - tabled discussion until late summer for possible event in fall or winter

Music in the Park – We still have two open dates (G. Jolin confirmed with Leo & Mary for June 23rd) 9/8 and 9/22. G. Jolin will try to contact Sheriff Federspiel to see if his band, Nottingham, would like either of those dates. We currently have the following dates filled: 6/23, 7/14, 7/28, 8/11 and 8/25.

New Business

R. Wuckert, from the Zilwaukee Community Foundation, is requesting that Parks & Rec sponsor a cornhole board for \$400.00 for the festival. G. Jolin said that Parks & Rec funds cannot be used for that.

Cedar Point – we are revisiting the Cedar Point trip and will look into going the beginning of October for Halloweekends again. We would like to see more resident participation this year or we will cancel the trip. Residents will again have time to register before it is open for guests of residents.

Halloween Party – We are revisiting the idea of bringing back the town Halloween party on Halloween night. We feel it is a good way for the community to get out and socialize and it's a nice place to relax for a few minutes and have a hot dog. G. Jolin said the Lions would be willing to grill the hot dogs. G. Jolin will also check with DPW about a hayride and J. Driscoll will check with someone about borrowing a wagon/tractor.

Yard Sales – J. Westphal, Carrollton Parks & Rec/For the Love of C-Town, would like to again collaborate with Zilwaukee on the yard sales which will be August 1, 2 & 3.

J. Westphal also brought up the idea of having a Zilwaukee/Carrollton monthly senior lunch. We discussed having it at our hall on the "off" months that Carrollton High School doesn't sponsor it at Messiah Lutheran Church in Carrollton. J. Westphal to get back to us.

Family Movie Night – We will revisit the idea at the end of summer for event(s) in fall or winter in the hall.

Meeting adjourned. 7:30pm
