Watch the City's FB page to see when the courts in Memorial Park are opening for the season.

Watch the City's website and Facebook for Music in the Park dates.

Brush set out will be May 5th thru May 14th.

Brush is considered branches larger than 2" in diameter and smaller than 6" in diameter. Anything smaller is considered yard waste and can be put out with your Tuesday trash collection in the appropriate container and anything larger than 6" in diameter we are unable to pick up.

We will not be at any one residence for more than 15 minutes.

Spring Clean-Up Day: April 22nd 9:00 - 1:00

For your convenience the City will have a dumpster at DPW for drop-offs.

Must be a Zilwaukee resident, and show proof of residency. 1 truck load per home.

No paint, oil, liquids, chemicals, yard waste or tires
Bring unwanted bulky items.

April 22nd - Zilwaukee Clean-up Day. Looking for volunteers to take a garbage bag and pick-up trash along the roads. Stop by City Hall, if interested.

When dropping water bill or tax payments in the side door, please put name, address and phone number on the front of the envelope. This will ensure that the payment gets credited to the correct account. Thank you in advance!

Characteristics of a Floodplain

Source: NFIP Guidebook, FEMA

While April Showers can bring May flowers, they can also bring flooding. Zilwaukee is in a 100-year floodplain, and it is vital to have a plan.

TURN AROUND, DON'T DROWN! Don't drive thru water covered roads.

Protect your household in the event of a flood. Designate a place where your family can gather if an evacuation order is issued.

It's a good day to read a book!

Come in and pick up a book to read and then share with a friend. Books are in the Zilwaukee City Hall Entry Way.

Thank you to the Zilwaukee Lion's for all they do for the City and the operation of the boat docks.

Riverfront Park is a happening place for not only boating and fishing, but a great place to relax and enjoy the tranquility of the river.

For complete trash, recycling and yard waste information for the City of Zilwaukee please visit MMWA's website. The City of Zilwaukee provides weekly curbside collection of trash, bi-weekly curbside collection of recyclables and weekly curbside collection of yard waste (April thru November). For best results you should have all properly prepared materials at the curb no later than 7:00am. Remember, you have a service day not a collection time, routes run until finished. For any service issues always call MMWA at (989) 781-9555 within one business day of your service. www.recyclemotion.org

Advantages of Carts

- Automated collection is faster and more efficient
- Attached lids that help prevent animals getting in
- Greater capacity than bags, cans and bins
- Taller and on wheels, making them easier to move

New in 2023 will be the implementation of "carts" (rolling recycling and trash containers). We anticipate cart delivery in Spring of 2023.

Carts will be rolled out by community. Once your carts arrive you should begin using them on your next service day. Trash collection will remain weekly, and recycling will remain bi-weekly.

All residents will be receiving one 96-gallon cart for recyclables and one 96-gallon cart for trash. One 96-gallon recycling cart can hold up to five times as much recycling as your current 18-gallon recycling bin and one 96-gallon trash cart can hold up to three 20-35 gallon cans of trash.
