Does one side of the face drop?

A
rm

One Arm Hanging Down

Ask the person to raise both arms.
Does one side drift downward?

S
peech

Slurred Speech

Ask the person to repeat
a simple phrase.
Is the speech slurred
or strange?

T
ime

If you observe any of the signs,
**Call Emergency Assistant
Immediately!**

Time is critical when a stroke occurs. Getting help fast could reduce disability and death from stroke.

•High cholesterol typically has no signs or symptoms but can lead to heart attack and stroke. That's why it's important to have your cholesterol checked by your health care team. All it takes is a simple blood test.

Do you know your numbers? You Should!
