1.11.2024
3:30-5:30 pm

Zilwaukee Community Hall

ALL AGES WELCOME!

City Revenue Sharing Certification can be seen at:
zilwaukeemichigan.gov

If you are sick or have been sick, please use the side door mail slot to pay water bills or taxes.

Thanks for your corporation!

When paying your Utility Bills and Taxes -

A separate check needs to be written for each.

They are separate accounts and the bank can no longer split the checks. If one check is mailed in to pay both utility bill and taxes, we will mail the check back to you.

General Election—November 5th

Visit www.michigan.gov/vote for more information

Note from Mid Michigan Waste Authority

We want to thank our residents who live in a carted community for their patience as MMWA rolled out 80,000 trash and recycling carts to 23 member communities! There have been a lot of behind-the-scenes activities that have continued at the MMWA office after deployment was completed. MMWA had to make sure that all 40,000 plus residents in all 23 member communities received carts, swapped carts for smaller sizes, and recovered carts that were delivered incorrectly. In a nutshell MMWA calls this process reconciliation.

Now that reconciliation is complete, we are heading towards the next phase which is ensuring residents in a carted community are using their carts.

Beginning Monday, October 30, 2023, residents should be using MMWA carts ONLY for trash and recycling. While residents can occasionally have a minimal number of bags, 1-2, outside of their carts if you are consistently using your personal cans and bags in addition to your cart click here to purchase an additional cart: <https://www.recyclemotion.org/carts>.

Remember, each resident is allowed up to two bulk items per week. A bulk item is anything that will not fit inside your trash cart. Bulk items should be placed at the curb three feet away from your trash cart, no later than 7:00 am on our regular service day. MMWA does not schedule bulk pick-up in advance. If the truck is full, or the driver is not able to collect the item by himself, the driver should place an orange hanger on your trash cart marking the box that reads item pick up scheduled do NOT remove from the curb. The bulk truck runs 1-2 business days behind the regular trash truck.

If you do not see an orange hanger call MMWA within one business day. Each resident has a one-day window.

Should you need an additional cart you can purchase one by calling MMWA at (989) 781-9555 or by filling out the form online at <https://www.recyclemotion.org/carts> . #themoreyouknow #cartmaggdon

Thank you to Parks and Recreation for the time and energy they put into planning activities for the Community to enjoy throughout the year! BINGO is always a hit with our residents and the Christmas celebration was a huge success and many children enjoyed seeing Santa.

Fire Department: Are you protected? Carbon Monoxide poisoning lands over a hundred Michiganders in the hospital each year. This could be prevented with an annual check of your furnace and gas hot water heaters. CO detectors can also help prevent Carbon Monoxide poisoning.

Hydrants - please help out our Fire Department by keeping snow away from the fire hydrants. If the firefighters don't have to take time to dig out a fire hydrant, they can put the fire out faster.

Volunteer Firefighters Needed!
